PHARMACY CENTRAL

*Are you eligible to receive
low-cost and/or
free medications?*

You might be eligible if you
are....

- An individual with low-to-moderate income who lives in Prince William County, Manassas City, or Manassas Park.
- Uninsured or underinsured.
- An individual without prescription drug coverage.

Please be advised that our Health Specialists are not medical personnel, and that any specific medical questions or health concerns need to be discussed with your physician or pharmacist.

The PHARMACY CENTRAL PROGRAM

Located in:

*The Greater Prince William
Community Health Center*

How the program works:

1. Individuals must be patients and referred by the staff of the Greater Prince William Community Health Center.
2. The NVFS Health Specialist completes an intake with the patient to determine his/her eligibility to receive free or low-cost medications.
3. Immediate and on-going prescription needs are assessed and a plan is developed to address those needs.
4. The NVFS Health Specialist completes applications to pharmaceutical manufacturers for low-cost and free medications on behalf qualified individuals in need.
5. Medications will be delivered to the GPWCHC within 4-6 weeks.

Patient

Responsibilities:

What to bring with you.....

- Photo ID
- Social Security Card
- Health Insurance Cards
- Proof of Residency
- Proof of Household Income
- Original written prescription or medication bottles if refill is being requested
- List of all medications that you are requesting assistance in obtaining.
